

## Extension Matrix/AllExtensions

From MediaWiki.org

< Extension Matrix

Welcome to the MediaWiki extension matrix. This listing is updated each night by a bot based on the entries in Category:Extensions. You have full control over the style and content of this page by editing Template:ExtensionMatrixHeader and Template:ExtensionMatrix. The source code for this bot is available at User:Alterege/ExtensionMatrix/Source code. Don't edit the source code of this page directly - it will be overwritten. Instead edit the source code of the extension page.
